FLOOR DEBATE

March 22, 2001 LB 52, 359

"department" as meaning the Department of Insurance. It also restructures some phrases that would no longer end with a preposition, so that our grammar improves, so that we do not create a gaff with which I will not up put. It inserts missing words in a couple of series of related nouns. It refers to offices, directors and agents, and it implies...it supplies the missing "employees". In the case of documents, materials and information, it includes "communications" to the list. The committee amendments struck requirements that the escrow agent must pay the settlement proceeds to the viator within three business days, and we are putting that back in. Lastly, we are limiting the number and frequency of contacts the viatical settlement provider may make, but we use the word "contracts" instead of the word "contacts". I would ask for the adoption of the amendment.

SENATOR CUDABACK: You've heard the opening on the Landis amendment. Open for discussion. There are no lights on, Senator Landis. Did you wish to close on your amendment? Senator Landis waives closing. The question before the body is adoption of AM0805 to LB 52. All in favor of that amendment vote aye, opposed nay. Voting on Landis amendment, AM0805, to LB 52. Have you all voted who care to? Record, please, Mr. Clerk.

ASSISTANT CLERK: 28 ayes, 0 nays on the adoption of Senator Landis' amendment.

SENATOR CUDABACK: The amendment is adopted. Mr. Clerk, next item to the bill?

SENATOR CUDABACK: Senator Landis, you're recognized to open on AM1102.

SENATOR LANDIS: Thank you, Mr. Speaker, members of the Legislature. AM1102 actually constitutes the provisions of LB 359, a bill that has been reported out by your Banking Committee unanimously, and brought to us with a recommendation
